REFERAT DE APROBARE

la proiectul de hotarare

privind darea în administrare a bunurilor de natura mijloacelor fixe corporale aferente rețelelor de alimentare cu apă aparținând domeniului public din Comuna Beclean, satele Beclean, Hurez și Luta către Operatorul Regional SC APĂ CANAL SIBIU SA prin Asociația de Dezvoltare Intercomunitară "ASOCIAȚIA DE APĂ" SIBIU

Delegarea serviciilor de distribuție de apă va asigura preluarea de către Operatorul Regional a unei părți importante a sarcinii finanțării infrastructurii aferente sistemelor publice de alimentare cu apă, atât din punct de vedere investițional, cât și din punct de vedere operațional.

De asemenea, delegarea gestiunii către operatorul regional este motivată ca fiind cel mai potrivit instrument juridic prin care administrația locală se va putea degreva de sarcinile administrării serviciilor publice, dându-le spre administrare unei entități cu un management performant.

Având în vedere cele de mai sus, propun spre dezbateră și aprobare Consiliului Local al comunei Beclean, Proiectul de hotărâre privind delegarea gestiunii serviciului de alimentare cu apă către SC APĂ CANAL SIBIU SA.
